## FROM THE COLONEL OF THE REGIMENT

Our Regiment is fully committed operationally. 1st Bn Battle Group is in Afghanistan. 2nd Bn, less A Coy, deployed with 1st Bn as our Provincial Reconstruction Team, is just about to return to Shilo from Whistler where it deployed on Olympic security duties in mid January. 3rd Bn has an Operational and Mentoring Team to the Afghan Army deployed, and numerous individual members filling appointments in 1st Bn. 3rd Bn, having just returned from a winter exercise in Wainwright, is starting preparations for its coming deployment in 2011. Additionally we have our members in Special Operations Command deployed on operations. Not to forget for a minute the numerous individual members we have deployed in Afghanistan and elsewhere filling a number of appointments and doing a wide variety of duties.

Whenever we deploy The Loyal Edmonton Regiment, 4th Bn PPCLI, provides a significant number of members to our Battlegroups. Sadly, we have recently lost two of their members along with others wounded. The constant strong support of the Loyal Edmonton Regiment and its members is important to our continuing ability as a Regiment to meet our operational tasks.

We can all take great pride in the contribution to Canada to our proud history that our members serving today have made and continue to make and to the poor long-suffering Afghan people too.

In closing, I am happy to report that our Colonel in Chief and Patron continues to regain her strength after her medical problems in December and January. She assures me that she is on the road to full recovery and is very much looking forward to attending our Annual General Meeting in May.

Best regards to all. I look forward to seeing you in Winnipeg.

Larry Gollner

### Change of Appointment Colonel of the Regiment

On behalf of the President of the Regimental Guard, Major-General Semianiw, I am pleased to inform you that the Minister of National Defence has approved the appointment of Lieutenant-General R.R. Crabbe, CMM, MSC, CD (retired) as Colonel of the Regiment for Princess Patricia's Canadian Light Infantry.

The Change of Appointment Ceremony between Brigadier-General J.E.L. Gollner (retired) and Lieutenant-General R.R. Crabbe (retired) is tentatively scheduled to occur on Monday, 17 May 2010, at Canadian Forces Base Shilo, Manitoba.

Maj Bird, Regt Major

### STUDENT BURSARY APPLICATIONS

Applications for PPCLI Student Bursaries must be received by the Association Secretary at:

PPCLI Association  
Box 335, St Albert Main  
St Albert AB T8N 1N3

*by 15 July.* Forms may be obtained on the Regimental Website ([www.ppcli.com](http://www.ppcli.com)), by calling the RHQ Orderly Room, (780) 973-4011, Extension 5450 or by email at [associationsectres@yahoo.ca](mailto:associationsectres@yahoo.ca)

### MEMBERSHIP

The count for the 2009 year was 816, of which some have passed on. Let's not let that deter our efforts into recruiting or getting some members back in the fold. The goal for 2010 is 900, but let's top that. Recruiting new or getting back old members is an ongoing exercise for us or the Assn will slowly die. Let's make a concentrated effort. Our best source for recruiters are our present members. Maybe the branches could award the "bounty hunters" who get new or returning members to join with some sort of a reward. Put up the poster!

Membership Chairman

### PPCLI ASSOCIATION ANNUAL NEWSLETTER

The next PPCLI Association Newsletter will be distributed in early November 2010. The deadline for submissions is *Friday, 8 October*.

The Newsletter will contain editorials, announcements of upcoming Association and Regimental activities, personal and historical notes and current affairs of interest to members. The Minutes of the Annual General Meeting will be enclosed. We will also include Branch activity calendars for the coming year and any other information Branches may have for the benefit of their own and other members.

We encourage individual members to contribute personal anecdotes and photographs.

---

### 100th ANNIVERSARY NOTES

Major Sean Moran and MWO Jim Butters continue to work in Regimental HQ as the 100th Desk team to advance the planning for the 100th Anniversary. They have been looking at Regimental Executive Committee planning, integration with the R22eR planning and other topics. There will be a briefing at the Association AGM in Winnipeg in May 2010.

At the same time, the results of the survey on the 100th that was started at the AGM in Edmonton last year are available at [www.ppcli100th.wordpress.com](http://www.ppcli100th.wordpress.com) website under the Posts page. Thanks to everyone across the country who took the time to fill those in. That website also has some recent information on exchange officers and their interest in the 100th Anniversary events.

---

Additionally, there is an Association Facebook group that is used to spread the 100th story to those in the wider regimental diaspora and it numbers about 800 members. In the next year the 100th team will be stepping up the public awareness of the 100th Anniversary, so that we can eventually draw the largest possible groups to the triad of major events.

## BRANCH NEWS

### Edmonton Branch

*Fred Goldring*

Here it is almost spring once again. We weathered the storms here and look forward to the golf courses. That's old news for you guys out on the coast! Our snow birds are on their way back. Some things never change because they do not get broken as are things within our branch. The Executive for now is still the same. Very few people want to be in the chairs or most are happy with what is going on. Our membership has dropped a bit from 84 to 74 as there are still ten members who have not sent in their dues for 2010. With associates we are up to 121. Will no doubt see some of you at the AGM in Winnipeg and possibly at the change of Col of the Regt in Shilo on May 17th. A full report on the Branches' 2009 activities will appear in the upcoming Patrician.

### Fraser Valley BC Branch

*Marc Gagne*

Winter left us early this year and the warm weather in January and February was most welcome – with the exception of the Olympic Organizing Committee. They went through hell trying to keep snow on the mountains!

The Fraser Valley Association Christmas party was well attended with members and their spouses. General Pitts and his lovely wife Maryanne were the club's distinguished guests.

We are happy to report that our membership has not decreased this year, we gained two new members. Although we have approached a few retired and ex-patricias' living in the local area, we are still hoping that they will soon join the branch. One big change to our branch is our meetings have been moved to a luncheon format. We now meet on the first Thursday of each month at 11:30am at the Vedder Legion near the former CFB Chilliwack. We welcome all guests so if you are visiting the area come and join us!

we hear from them, about them. public, private intel.  
 we know too much for our own good.  
 we know far too little.  
 a telephone call on a sat. phone  
 an email  
 a FB message  
 a FP post on his wall  
 videos on UTube, FB, him on his dangerous stroll  
 tagged somewhere tropical  
 tagged somewhere deadly  
 bullet holes just above his head where he crouches  
 reloads his C9 in a field of grape vines and the drying hut  
 a call on his mobile from Australia (HLTA), his voice torn  
 into lower octaves, lonely,  
 guilty at putting his mother, father, all of us through it  
 again, not saying he's afraid  
 then the posts from mothers, "where are you son? we need  
 to hear from you. please call" on almost every soldiers' FB  
 walls  
 and the newspapers  
 online, every coward crouched in coziness, lobbing hand  
 grenades of opinion  
 blading blading  
 and the vultures on the home front circling  
 to pick your heart out, rip your family apart  
 blue-eyed, little girl-voiced, secret keeper, mistress of  
 shame,  
 the old, "don't worry, I'll look after them while you're

 and you've gone to war certain of your mission  
 certain there'd be something to come home to  
 but every time you come home from Ex. on your work-up  
 you come home to something worse than war  
 because in war they only want to kill the faceless, nameless  
 enemy  
 not you. and you come home to deceit, lies. secrets. cuts  
 deeper than any bayonet, any scalpel, any blade.  
 and the IEDs of betrayal are laid for you in every corner,  
 every bed, every cupboard,  
 even in your truck, her hydro bill left on the passenger side  
 floor,  
 the receipt for his \$70 bouquet to her on your desk,  
 and you, the war, your work, are blamed for everything  
 over and over and over.
