From the National President

I believe that this is one of the largest editions of the Newsletter that has been published in quite some time. It contains a great deal of detail on the two major activities in our immediate future.

The first of course is the Regiment's 100th Anniversary. The Colonel of the Regiment's article will give you a sense of the amount of work that is ongoing in preparation for the three Centennial Commemorations and the four support programs. The 100th Anniversary Office article will give you much more specific detail on each of the commemorations and their specific activities, on specific memorabilia and on the registration process. Please take the time to read all the details so that you can make your personal plans and arrangements.

As you are aware, the Association's major contributions to the 100th Anniversary are our four Memorial Projects. The picture to the left shows the current state of Patricia Park. We have the funds in hand to complete Phase 1 this year, but we are currently about \$90K short of the amount needed to complete the Memorial Wall element of Phase 2. The Commonwealth War Graves Commission is assisting us with the Frezenberg Memorial restoration and installation of new elements. Work will begin in the spring on this project. We have raised roughly \$30K of the \$65K required to fully fund this project; however, the Hamilton Gault Memorial Fund Board of Trustees have agreed to use the Memorial Fund to meet any shortfall on this specific project. The upgrading of the Regimental Cairn at Lansdowne Park in Ottawa is in the final design stage, pending the specific site being allocated in the redeveloped park. Associated with this project is the commissioning of a painting that features the presentation of the Ric-A-Dam-Doo to the Regiment by Princess Patricia. Funds for both elements of this project are in hand. . Our final project is the Memorial Baton that will be carried during the Memorial Baton Relay. Two batons will be produced and have been

Please notify the Newsletter Editor and the Association Secretary of any errors or subsequent changes.

FROM THE COLONEL OF THE REGIMENT

There have been a great number of Regimental events and activities held since the last Newsletter. It is hard to believe that so much has happened in such a short period of time as we move toward our 100th Anniversary next year.

Let me first of all congratulate the Cypress Hills Branch for the outstanding manner in which they organized and hosted the Association AGM in Medicine Hat in June. Although the number of attendees was down (as planned for due to the pending 100th Anniversary commemorations), the meeting was a huge success with lots of business getting done and progress made on many fronts. Well done to all those involved in the planning and conduct of the AGM.

Progress toward our 100th Anniversary has been exceptional thanks to many members of the Regiment. We had a very successful Regimental meeting in Shilo in June and are now in the process of conducting detailed reviews of all events and activities for the three commemorations and Memorial Baton Relay. The progress for the four support programs (Public Information, Finance, Memorial and Command & Control) has been exceptionally good, thanks largely to a great deal of work by members of the Association who volunteered to see the related events and activities through to fruition.

This past week, I had the opportunity to visit the site of the PPCLI Memorial in Patricia Park (Griesbach Village) and see the beginning of the construction of what will be a marvelous legacy for the Regiment, thanks to the Association. The plans for the Frezenberg and Lansdowne Memorials are progressing well, despite many challenges. The Baton for the Relay is nearing completion and funds are being raised by the Association for all these projects.

A detailed review of the Edmonton Commemoration was completed this past week, and a similar review of the Ottawa and Frezenberg Commemorations and the Memorial Baton Relay will follow over the next month. We will then do a complete review of all the support program events. The City of Edmonton, Province of Alberta and City of Ottawa are very keen to support our Commemorations, and we will be examining ways to reinforce the principle of connecting with Canadians for some of the events in Edmonton and Ottawa.

Second Battalion has just completed the recce for the Frezenberg Commemoration and began the detailed recce for the Memorial Baton Relay on Sep 16th including coordination with the Association Branches across Canada. 3 PPCLI and the Ottawa Branch will conduct a similar recce and coordination for the Ottawa Commemoration within the next few weeks, followed by a Regimental review of all the events and activities in Ottawa. Several Branches are very committed to assist Second Battalion with the Memorial Baton Relay and I would encourage others to do the same for what will be an historic event for the Regiment.

.....continued next page

The time capsule (to be placed in the new PPCLI Memorial in Patricia Park) is close to be completed. Bryan Adams has completed the recording to commemorate our 100th Anniversary and has very generously offered to donate the proceeds to the PPCLI Foundation. The Regiment will receive the national flag that flies over the Peace Tower on 10 August 2014; it is planned to present the flag on the Parade of Rededication during the Ottawa Commemoration. Canada Post has agreed to produce a commemorative envelope for our 100th. The Regina Pats will be holding an appreciation night in February 2014 for the Regiment, and have designed a special team sweater including Regimental markings for the 2014 season. The drum lines are all fitted with new instruments and uniforms, and are now performing. The Art Show will take place in Calgary and Edmonton, and will be a very professional event, thanks to some outstanding work and fundraising. Preliminary events leading up to the Commemorations are being finalized; these events will set the stage for the major activities and will solidify our relations through Freedom of the City parades, Presentations of Colours, etc. The Foundation is doing outstanding work in raising funds to support the many and varied events and projects to ensure we will have a truly remarkable 100th Anniversary.

I am extremely impressed with the extent of work and commitment by the serving component, Foundation and Association as we move toward our first events leading to the 100th Anniversary. Well done to all.

from both World Wars and sites of Regimental significance in the UK and Germany are open to all, and the Battle Week tour will coincide with the Frezenberg Commemoration. Book now at www.sticanada.com or call 1-800-665-0998 for more information.

Special 100th Anniversary Memorabilia – A Sampling of Where We Are and Are Not**Stamps and Things Postal**

For the 100th Anniversary Canada Post received a request from the Regiment in 2011 and then a series of letters of support from politicians, soldiers, the Legion and others – for a stamp or a series of stamps, to celebrate the anniversary. In 2013 Canada Post advised that they had approved the issue, not of a stamp, but of a **Commemorative Envelope** for PPCLI (as well as for the R22[°]R).

A Commemorative Envelope is covered front and back with a pictorial history of the regiment, (as the photo of a sample one depicts) and features a short written history on the back, in both official languages. The envelope will have a stamp printed on it that is unique to the envelopes, and the Regiment will decide in due course whether they wish to order more of those stamps as photo stamps (note that the Kit Shop already sells regimental photo stamps). Al Johnston of Ottawa is our Project Director and he is working now with the Regimental Headquarters and with our Canada Post designer to finalize the designs, both of the envelope and its integral stamp, and the wording. So while the design is not yet complete – it will be done in time, and will be the best Commemorative Envelope we can make – attractive and highlighting a Century of Service. Al is also working on some innovative ideas with franking and material to advertise the envelope in *Details*, the Canada Post magazine for those interested in stamp and postal product collecting. *Details* can be found in most Post Offices, and is free.

Canada Post has agreed to a release date of March 17th, and the regiment is working on at least three launch sites – perhaps Ottawa, Edmonton and Calgary, but also perhaps something East Coast and West Coast. The plan for releases is in the hands of the public information committee and the units/branches involved. It will be well broadcast when details are known.

.../continued on page 12

From then on the envelopes will be available for sale by post from the retail Philatelic Services or by ordering on line, and from the Kit Shop, which will have some for sale as well. Canada Post usually prints 8000 envelopes, and the cost per envelope should be about \$4. If we retail photo stamps as well, these will be at face value plus any costs.

You can see commemorative materials for sale at <http://www.canadapost.ca/cpo/mc/personal/productservices/send/postagestamps.jsf>

"The R22eR Commemorative Envelope was issued recently. Note that they are celebrating their anniversary up to their formation date of 14 October, in 2014 when they turn 100, as contrasted to PPCLI who are celebrating from when we turn 100 in August 201

There are two different coins in the anniversary plan. The first is a public **Canadian Mint produced coin** celebrating the regiment and its Century of Service. The Canadian Mint received a request for such a coin in 2011 from the regiment – we were hoping for a circulation coin, but the coin plan for 2014 has not yet been approved by the Minister responsible, and while rumour is positive, there is no definitive response yet. Al Johnston is also our project director for the Canadian Mint coin and has requested a detailed update from the Mint – he has been waiting a while now for that. Design of the coin and its accompanying material will be a much shorter process than for the Postal Envelope – but it will represent an honoured tribute to the service of Patricias everywhere. When this comes to fruition, then the coins would be sold through post offices and on line, and it is likely that the regiment would buy some

additional coins for retail out of the Kit Shop. We are seeking the release of the Mint Coin as early in 2014 as possible, and we are hoping to have at least one major release event. From then on the envelopes will be available for sale by post from the retail Philatelic Services or by ordering on line, and from the Kit Shop, which will have some for sale as well. Canada Post usually prints 8000 envelopes, and the cost per envelope should be about \$4. If we retail photo stamps as well, these will be at face value plus any costs.

You can see commemorative materials for sale at <http://www.canadapost.ca/cpo/mc/personal/productservices/send/postagestamps.jsf>

Coins

There are two different coins in the anniversary plan. The first is a public **Canadian Mint produced coin** celebrating the regiment and it's Century of Service. The Canadian Mint received a request for such a coin in 2011 from the regiment – we were hoping for a circulation coin, but the coin plan for 2014 has not yet been approved by the Minister responsible, and while rumour is positive, there is no definitive response yet. Al Johnston is also our project director for the Canadian Mint coin and has requested a detailed update from the Mint – he has been waiting a while now for that. Design of the coin and its accompanying material will be a much shorter process than for the Postal Envelope – but it will represent an honoured tribute to the service of Patricias everywhere. When this comes to fruition, then the coins would be sold through post offices and on line, and it is likely that the regiment would buy some additional coins for retail out of the Kit Shop. We are seeking the release of the Mint Coin as early in 2014 as possible, and we are hoping to have at least one major release event.

The second coin is a **PPCLI Centennial Commemorative Coin** – one to be issued to each member of the regiment on strength as of 10 August 2014 – whether a member in good standing of the Serving component, the Association or the Foundation. Distribution details are being worked out, but the intent will be to distribute it through the chain of command and the units, branches and offices, based on member lists submitted for the year 2014 and updated as needed just before the distribution date. While these coins will not be numbered, only members on the actual day of the 100th Anniversary are intended to receive these, and signatures will probably be required for the records.

ATTENTION READERS

The year 2014 is a special time for the Regiment and Association. To celebrate this unique year we will be publishing an Anniversary Edition of the Newsletter. The **100th Anniversary Edition of the Newsletter** will be dedicated to our members' efforts to make the Edmonton, Ottawa, the Baton Run and Frezenburg Commemoratives successful. The Newsletter will be published in a glossy format similar to the Patrician and is expected to contain 40-50 pages.

The goal is to publish a presentation book for family, association and regimental archives.

The Anniversary Edition will contain:

- Articles summarizing association members' work and efforts in support of the commemorative projects. Hopefully there will be many photographs of association members preparing for and delivering their tasks in support of these projects.
- Articles on the various fund-raising events, public information campaigns and the members involved in these efforts.
- Articles from all branches of the association. The branch articles will contain a snap shot of the branch membership – names of branch executive and members. The article should include a group photo of the branch members. A brief history of the branch should be included – date/year established, where meetings are conducted and anything unique to the branch.
- Personal photos of Patricians taken while serving with the Regiment during the past 75 years. We are especially looking for groups of two or more. These photos will be used to for a photo montage on the cover pages.

The Editor requests that project teams and association members preparing articles and photographs for the Anniversary Edition email their submissions by September 25th, 2014 to mrbrown@shawbiz.ca. The target date for publication is November 25th, 2014.

Specifications for photographs:

1. Colour or black and white.
2. Minimum size of 2" x 3" and 300 dpi for digital images.
3. The image must be a clear and in-focus.
4. A description of the photograph's content to include all names, location and context.
5. A hard copy photograph may be send by Canada Post if a digital image cannot be sent by email (photographs sent by postal mail will not be returned). Send to M. Brown, 9238 McNaught Rd, Chilliwack, BC V2P 6E6.

The Anniversary Edition will be a keep-sake for your families. Your descendants in the next 50 years will be able to look at your life in the 2014.

PPCLI Association Articles of Continuance and By-law

The *Canada Not-For-Profit Corporations Act* (NFP Act) came into law on 17 October 2012, and establishes new rules for incorporated not-for-profit corporations such as the PPCLI Association. It replaced Part II of the *Canada Corporations Act*, which had been in effect for almost 100 years, and was clearly outdated.

The NFP Act requires that all not-for-profit corporations' transition to the new Act by not later than 17 October 2014, or the corporation will be assumed to be inactive and will be dissolved. In order to make the transition it is necessary to replace the Constitution with Articles of Continuance (i.e. to continue the corporation) and to replace the By-laws with ones that are in compliance with the new Act. Therefore, we must approve the new Articles and By-law not later than the next AGM, in August 2014, during the Edmonton Commemoration of the Centennial of the Regiment.

Those who have attended either of the last two AGM's will recall discussion of the process, and at the AGM in Medicine Hat last year, a draft Article and By-law was presented to Members for discussion. Discussion there was, and a number of changes have been incorporated in the next drafts. Council has reviewed these again, and more changes have followed. The draft Articles and By-law are being presented to Members in the Newsletter to ensure that as far as possible every Member has an opportunity to read them, and to ask questions, and/or to make suggestions.

Separately, a summary of the major differences between our present Constitution and By-law One will be sent to Branch Presidents for distribution to Members. This will be published in a couple of weeks and will also be posted to the Association website.

In January 2014 the time for comment and discussion will end. The finished Resolutions will be circulated to all Members, but the Resolutions will be closed to amendment. No amendments will be allowed from the floor, as there is simply not time to make an amendment and prepare the approved submission to Corporations Canada in time to meet the 17 October 2014 deadline.

continued from page 12...

The Centennial Commemorative Coins are being designed by the Anniversary Office, and the final design (some examples have already been produced) is due to be agreed at the Regimental Executive Meeting in Edmonton at the end of November, 2013. Details for distribution and to fix the number to be manufactured will then be determined and promulgated.

One Project That Died

Some will recall that in 2001, there was in Winnipeg at the 50th Anniversary of Kap'young, the first official 100th Anniversary event – a blind taste test to pick a **Centennial Whiskey**. The Colonel-in-Chief, then Lady Patricia, and the Drum Major of 2PPCLI, were the chief tasters at an event put on by MWO (Retd) Dave O'Brien of the Association in the WO and Sgts' Mess. The winning whiskey – Schenley's OFC (10 years) was selected, and Dave had two barrels of the stuff (enough for about 400 bottles) set aside for us in a Montreal-based warehouse. We were going to age it an extra two years, have it filtered once through a piece of cloth of special significance, and label and bottle it in 2013 or so. Everything perked along, but in the intervening years (up to 2006), the Schenley brand (part of the Bronfman/Seagram's empire) was sold off and all of its aging barrels of whiskey were sold, as well as the brand names, eventually to Diageo (the biggest distiller in the world), which kept the main Seagram names like Crown Royal but split off OFC and sent those casks and the Schenley name to some dark place in the USA. While attempts to either choose another brand or make other arrangements were made, the costs associated with buying, shipping to Edmonton and then storing and re-selling a significant stock of whiskey was considered too high in 2012 when it was reviewed. Global trade and local economics killed a good idea.

Only the existence of the PPCLI Association Ontario Branch wine initiative is going to bring us a regimentally selected and labelled libation for the 100th – our wine from Niagara. Make sure that you order yourself some of that!

Travel Memories

No better memory of the 100th can be had than the travel opportunities with Special Travel International and their 1, 2 or 3 week packages back to UK, Frezenberg and the World War I battlefields, or the old NATO posts, in 2015. There is still time to secure your spot and earn a \$100 savings by registering before 1 March 2014. Get all the info at <http://www.sticanada.com/tours/0513Vit.pdf>

Besides, even though it is expected that the AGM will be larger than usual as it is coincident with the Edmonton Commemoration, it is not fair that only those in attendance at the AGM have the opportunity to make changes in these documents on which we have been working for several years. It is far better to allow all Members to review them in as much detail as they wish, and to have the opportunity to have an input into the future of the Association. Therefore it will be an "up-or-down vote" at the AGM.

Thus this is effectively the last chance. Please do take advantage of it, and if you have a question or comment, send it as soon as possible to Don Dalziel, Chair of the By-law Committee, at ddalziel@rogers.com. He will respond to every comment.

The chart below shows the options of Membership, voting and dues. This may assist in following the detail of the By-law.

FOR THE SOLDIER: COLLABORATING WITH THE ASSOCIATION TO DELIVER BENEFITS

Working Together as a Team

During the Patricias' first deployment to Afghanistan and the resulting casualties, veterans began experiencing complex issues related to Post-Traumatic Stress Disorder which were beyond the capabilities of a veterans' volunteer program.

This unforeseen issue was the catalyst for the formation of the PPCLI Foundation to take on matters a veterans' volunteer program could not address. The Foundation was formed from the ranks of the PPCLI Association to plan and deliver long-term benefits to our soldiers, veterans and their families. Today, with the Association, the Foundation has developed a forward-looking partnership model which successfully fundraises and delivers benefits. This model would not be possible without understanding its origins when the Patricias were first deployed to Afghanistan.

What a Catastrophe!

The 2002 deployment was our first clash with casualties on a scale not seen since Korea. Nothing in Bosnia could

compare with it. In early 2003, it was soon realized that most processes and structures for casualty and family support had atrophied. Support from Veterans Affairs Canada was slow. Support from the Department of Defence was confused and dispersed. Base, unit staff and casualties did not know who was responsible and what services were available. As Patricias, both serving and retired, we had to do something.

Let's Take Charge

The PPCLI Association decided in 2003 to attempt to solve problems and assist casualties directly. Our best work was helping DND identify and address the shortfalls. We interviewed casualties across the country as well as staff at the unit and base level in Edmonton, and followed by reporting our findings through private Regimental channels to National Defence Headquarters.

To deal with individual cases, a Volunteer Patricia Program or VPP was formed with branch representatives. Essentially, the program sought to find information and bring veterans to the right services. For example, one of our earliest successes was finding the results

of Australian studies on the relationships between Agent Orange and cancer, which is now the basis for settlements for many Regimental members. We provided leadership in other areas such as hospital comforts. Association members stepped up and contributed time and money to our many small programs. Patricias were the First in the Field and became the acknowledged leaders in veteran support.

The Government Catches Up

By 2006, both VAC and DND were catching up. The VAC liaison with DND had vastly improved and to provide more comprehensive veterans' support, the New Veterans Charter was rushed through parliament.

Within the Department of National Defence, the shortfalls in training and the failure of patient-initiated programs had been identified and accepted. New integrated personnel support units were established at every large base to ensure a high and uniform level of support to casualties and veterans. The Regiment itself put in place a Veteran Care Cell at Regimental Headquarters to ensure no one fell between the cracks.

The Smoke Cleared to Reveal More Problems

By 2009, it was apparent that the smokescreen itself was the treatment of recent casualties and ensuring services and benefits were being delivered. The real fire lay beneath: transition to civilian life, post-traumatic stress, other mental health issues and strain on families that would have a long-term impact on veterans than physical disabilities themselves.

The VPP could not provide support of this magnitude. Veteran Affairs Canada has many programs such as mental health support, employment assistance and housing, but its lead program, the New Veteran's Charter, had lost the confidence and support of those who it was meant to support. Realizing that the VPP was not equipped to address this complex area and believing that the Regiment must be part of the solution, the Foundation was formed in 2010 out of the Association to plan and deliver long-term benefits to soldiers, veterans and their families.

OK, Now Get the Job Done!

The Foundation needed to attract skilled people and structure itself as a charitable foundation, plan how to raise funds and other forms of support, and to identify how best to use these resources for the regimental family.

We Learn the Hard Way, But We Learned

We learned that the best approach to delivering long-term benefits is through partnerships with other organizations with similar goals

such as the Amputee Coalition of Canada, the Wounded Warrior Program and the True Patriot Love Foundation. We have also established partnerships with corporations and governmental agencies such as Veterans Affairs Canada. But our strongest partnership is with the Association as our goals and values are in alignment.

Our fundraising efforts are now on three tracks: obtaining grants and contributions as well as in-kind support from public and private sources, and locating donations and in-kind support from corporate partners and holding fundraising events. The first two efforts are the responsibility of the Foundation's Fundraising Group under the leadership of Lieutenant-General (Ret'd) Kent Foster. With a strong team, he has set his sights on a target of \$884,000 for the 100th anniversary alone. The Association is linked with this effort in two ways. Firstly, the Association is helping the Foundation identify potential sponsors and partners. Secondly, the funds raised then become available to cover the costs of projects for which the Association has the primary responsibility. In the third area, fundraising events, our efforts are fully integrated.

Let's Work as a Team

We tested this partnership model in early 2013 at the Heroes Hockey Challenge in Abbotsford. The Fraser Valley Branch of the Association was close to the planned site of a rescheduled gala and game deferred from 2012. Once the outline plan was developed, the Fraser Valley Branch effectively took over under the strong leadership of Wayne Dehnke and supported by all members of that branch. Together we the Foundation and the Association made a net profit in excess of \$60,000 which will be used in direct support of wounded warriors and families.

No two situations will be alike, but this model of close cooperation worked well in Abbotsford. We intend to use the same model at the 2014 Heroes Hockey Challenge event planned for Edmonton May 24-25, 2014. We plan to partner with both the Edmonton branch of the Association and with the Edmonton Garrison Military Family Resource Centre for HHC 2014. As well, we will partner at one or more locations along the Memorial Baton Relay route. Whenever these events are held and if your branch is involved, we hope you can participate for the benefit of the Regiment and its soldiers.

Lone Patricia at Schoonselhof Cemetery in Antwerp, Flanders

The beautiful city of Antwerp in Flanders, Belgium, is the beating heart of the country in almost all contemporary aspects. When visiting this bristling metropolis, it is easy to forget the city also has enormous historic importance. Part of this history can be discovered on its biggest cemetery: Schoonselhof¹.

When strolling through the Commonwealth War Cemetery part of the burial ground, one encounters on Plot Ila, Nbr 77 the grave of a PPCLI soldier who died just North of Passchendaele on 14 or 15 Nov¹ 1917. To my knowledge, he is the only Patricia that is buried here, over 100 km as the crow flies from the place he fell¹. How did Private Grenville Hopkins end up in Antwerp, so far from his fellow Patricia's that fell alongside him during the fierce battle?

The answer can be found on both the Schoonselhof cemetery website¹, as in the book "Passchendaele 1917 – The story of the Fallen and Tyne Cot cemetery" by Franky Bostyn¹. The website is only in Dutch (Flemish), but I'll do my best to tell you the story.

Private Grenville C. Hopkins was born in Manitoba on 18 Jan 1896 and enlisted in the Canadian Army on 25 Apr 1917. After his training he joined the Princess Patricia's Canadian Light Infantry, in full preparation for the Battle of Passchendaele, on 11 Sep 1917. He did not see the end of the battle as he fell just North of Passchendaele on the evening of 14 Nov 1917. He was buried together with Private Macewen between the ruins of the church, and the nearest German bunker, in a grave marked by a rifle with bayonet.

After the war, the debate about repatriation of the dead was most emotional. It was Fabian Ware, the first CO of the Graves Registration Commission, predecessor of the CWGC, who recommended not to repatriate any remains because it would be financially and logistically impossible. On top of that, it would benefit the rich families, and would thus breach the "equality in death" of the Brothers in Arms. The discussion raged even more intense in Canada, because of the sheer impossibility for most people back then, to visit the graves of the Fallen. For some, an illegal repatriation looked like the only solution. Some French and Belgians thought it a lucrative business and stole some remains from, amongst others, Voormezele Enclosure N° 3.

The grave of Pte L.J. Macewen and Pte Grenville C. Hopkins was discovered in 1920, and both were re-buried, under an individual tombstone this time, on Tyne Cot cemetery, Plot 56, Row A. The family of Grenville asked for permission to repatriate his remains to Canada in January 1921, but their request was denied, as were all such requests. During the night of 17-18 May 1921, Private Hopkins' body was exhumed illegally and transported to a mortuary in Antwerp, to be put on a ship bound for Canada. The theft was discovered the next morning, and the remains were tracked down quickly in Antwerp, were confiscated, and re-buried on Schoonselhof cemetery.

If you ever visit Antwerp, make time to go for a stroll on Schoonselhof cemetery, which is a beautiful park and contains many special graves and monuments. Then pay a visit to the grave of a fellow Patricia, whom ended up on this graveyard, as if to underscore a historic emotional debate. One that has since been largely forgotten, but still has consequences for so many Canadian families, who are denied the opportunity to visit the graves of their Fallen.

2014 and Onwards Together

Both the Foundation and the Association will be heavily committed from now until the fall of 2014. The core of these commemorations is not just the remembrance of things past but our commitment to our Regiment's future and to the lives and welfare of many young Canadians who have served in our defence and who will step forward in the future to do so again.

They must know that we, and you, will be there to give them the support they need. The Foundation is raising the resources and creating the partnerships need to address the mental health issues being faced by veterans, to help address housing and employment issues, and to cooperate with those who are improving private and public programs, including dealing with the issues in the New Veteran's Charter.

As Churchill said after the defeat of the German and Italian armies in North Africa, 'This is not the end or even the beginning of the end, but it is probably the end of the beginning. That is where we, all of us, now find ourselves. Our job now is to lay the foundations of a strong, solid and adaptable framework for supporting the Regiment and its people for the next great century.

Visit www.ppclifoundation.ca and look at our support opportunities. Be a strong member of that family now or leave a legacy to help future Patricias.

funded. You may recall that we agreed some years ago that the Association would endeavour to raise a total of \$250K for the 100th. Well, we have exceeded that by a long shot.

Another initiative that the Association has agreed to undertake is to ensure that at least one senior cadet from each of the 11 PPCLI affiliated cadet corps has the opportunity to attend the Edmonton Commemoration. Detailed planning is underway to facilitate this.

The other major activity that you will read about in these pages is our transition from our current Constitution and By-Laws to the Articles of Continuance and new By-laws required under the 'Not For Profit Act'. I can assure you that this is not nearly as fun and dealing with some of the 100th Anniversary challenges, but it is equally, if not important from an Association perspective. If we don't get this right the Association, as a not for profit corporation, could be dissolved by this time next year. Please take the time to read this information carefully. We are looking for your input over the next few months, so we can get the final version that will be tabled at the AGM out with the Spring Bulletin. There will be no opportunity to discuss or amend these documents at the AGM. That dialogue must occur over the coming months.

One of the features of this Newsletter that struck me is the contributions that have been made to it from across the Regimental family. I fully support the Foundation's theme in its article of "Working Together as a Team". The serving component, the Foundation and the Association each bring different strengths and capabilities to the common cause of supporting the soldier, his/her family and the Regiment. Working together we maximize our strengths by providing mutual support.

Finally, let me express our sincere thanks to Cypress Hills Branch for hosting the 2013 AGM in Medicine Hat. *Congratulations for a job very well done!*

BRANCH REPORTS

Edmonton Branch

by Fred Goldring

At the time of this writing we are exchanging our golf clubs for the snow shovels. Some of our snowbird members are preparing and pondering their annual trek south. We have all enjoyed a good summer and fall. Next on the horizon are Remembrance day,, our annual Christmas Dinner and of course the Festive Season. Yet the biggest thing we see on the horizon is the 100th coming up in August 2014. As of Nov 1st, only 280 days to go until Aug 7th!!

Our membership has increased 10%. We expect that figure to rise dramatically. The RSM in the sky has been kind to us again so far this year. We have been busy attending several parades and social functions with the Battalions here in Edmonton, the KVA, as well as the Cadets and RV 2013. Several of our members made the trip south to Medicine Hat for the AGM which all thoroughly enjoyed.

We are looking forward to the next edition of the Newsletter and the Patrician to see what and how the other Branches have been doing. Enjoy the upcoming Festive Season and New Year and we will see you all in August 2014.

Patricia's in Cyprus

As a project for the 100th Anniversary, Fred Goldring is compiling a list of all Patricia's who served in Cyprus throughout the years. Most of the names and dates have been located in the "Ric a Dam Doos" that were published both during and after each Battalions' Tour. The only one Fred does not have is 1st Battalions' tour in Cyprus 1968. If anyone has a copy of the Ric a Dam Doo from that tour, please contact him so he can complete the list.

Our branch had a busy and fulfilling year. We conducted a number of fund raising events to assist the Foundation and Heroes Hockey Challenge held in May. On August 18th we completed our 100th anniversary branch project by installing a Memorial Bench with a Dedication at the Legion Cemetery near the former CFB Chilliwack. The dedication was held on August 18th to coincide with the Regimental Birthday.

We followed up the dedication with a free Bar-B-Que at Branch 280 of the Royal Canadian Legion. We invited are Legion friends to help celebrate the Regiment's day. Our birthday cake was a hit.

We are happy to report we have gained two new members; Jim Morton and Dietmar Wagner. Although we have not lost Harold "Grouch" and Helen Groulette; they have moved in to an assisted living facility in Chilliwack and find it difficult to attend our functions.

Anyone visiting our city are welcome to contact us for a get together and a session of war stories. We have monthly luncheon meetings on the 1st Thursday of each month.

Kingston Branch

by David Banks

Since our last update, events have progressed significantly as our Branch prepares for the 100th. Never underestimate the power of the few.

Last update we mentioned three lines of effort being undertaken by the Branch for 2013. The first of these, fund raising, was kicked off by a truly outstanding event conceived, planned and staged by LCol Ed Staniowski. This was the very successful "PPCLI Hot Stove Night" (see the photos below). On the night of 22 March 2013, through his tireless efforts, Ed brought together a strong representation of his fellow NHL Alumni (a number of whom had participated in the visit program to our soldiers in Afghanistan); Wounded Warriors; the Stanley and Memorial Cups, and the Calder Memorial Trophy; several senior serving and retired VIPs including Major-General John Vance and General (Ret'd) Walter Natynczyk; numerous corporate sponsor groups, as well as serving and retired members. Thanks to the Commandant of the Canadian Army Command and Staff College for helping to make this event possible.

Due to the hard work of Ed Staniowski, Shaun and Virginia Tymchuk and Major Eric Thorson, and the Fort Frontenac Mess staff, and the generosity of our sponsors and guests, the evening was in all respects an amazing success. Through various activities we raised in excess of eight thousand dollars. This sum, far exceeding our expectations, allowed us to support the Hamilton Gault Memorial Fund and fully fund our own 100th Anniversary Memorial Tree Project in City Park, Kingston.

Equally important, if not as spectacular, was the "Hundred for the 100th" internal donation campaign, which produced over two thousand dollars from Branch members for the *Hamilton Gault Memorial Fund*.

Our second line of effort, the PPCLI 100th Anniversary Memorial Tree Project, has also progressed thanks largely to the excellent cooperation and support of the staffs of the City of Kingston and of Kingston Monuments Ltd. Following

a year of work with City staff and the local City councilor, on 10 September 2013, City Council unanimously approved the establishment of the PPCLI Tree, and its accompanying commemorative stone, in City Park. The tree and stone will be formally dedicated on Saturday, 13 September 2014. The ceremony will include the presence and participation of the Memorial Baton Relay (MBR) team, with its display team and the Regimental Drum Line, as part of the MBR's progress across Canada.

This brings us to our final line of effort: support to the Regiment's national centennial activities. Our task has been to support the MBR. The "Hot Stove Night" allowed the Branch to contribute significantly towards the production of the batons themselves, and our combined Associate/Serving team have been working closely with 2 PPCLI to ensure the success of the Cobourg to Kingston portion of the MBR odyssey. While much work and planning remains to be done, things look good for a very successful MBR visit.

Wheels are turning faster now, and the tempo is rising as we head towards next year's events. Kingston Branch wishes good luck and all success to other Patricias-both serving and associate-as you work toward your 100th Anniversary projects.

The 1 in 1000 Raffle draw was made on Sunday 11 August at 2:00 pm at the Charleswood Legion. We were privileged to have Lt Alex Lord and C/Cpl Hanna Ocadchy from 553 Tommy Prince MM Cadet Corps present for the draw. C/Cpl Ocadchy drew the winning ticket was sold to Mr. Dexter Harvey of Petersfield MB. Mr. Harvey has elected to take the cash prize of \$2000.

Our annual BBQ held on Sunday 23 June was a great success. The rain cancelled our Bocce Ball Tournament, but the catered meal and the close quarters made for an enjoyable afternoon. Thanks to Maureen for the organization and thank you to all attended.

Our Annual Luncheon was held Sunday 29 September. Twenty six members and guests were in attendance. The COR and Mrs Crabbe were the guests of honour. Maj Darcy Wright and CSM Don Askland from 2PPCLI attended and brought us up to date on the Battalion's activities. We had one of the 100th Anniversary Posters plasticized. It is mounted and ready to hang. On the first day of ticket sales, we more than covered the mounting costs. Every Patricia that sees it wants to hold the winning ticket

Maj Barker and CSM Dan Boushie met with President Stu Weeks and V/P Don Collins to do the RECCE for the Memorial Baton Relay. We learned you cannot plan a route using Google! After some modifications, the route was selected. Now we must plan a day visit to Winnipeg's military history sites for the team

Our annual Remembrance Day service is being held on Sunday 10 November at All Saints Church at 10:45 for 11:00.

On behalf of our branch executive, and all our members, we wish all the Patricia members a Merry Christmas and a Happy 2014.

SW Ontario Branch*by Paul Hale*

The Branch has done well over the past year. We have seen our paid membership increase from 53 in 2012 to 71 in 2013 and we are well on our way of reaching 100 members for the 100th. Our Annual General Meeting was held in St Catharines on 4/5 May 2013 with 34 people attending. It

was a busy weekend with the AGM, Dinner and a tour of Château des Charmes winery. Romeo Daley was our guest speaker at the dinner and he spoke about his visit to Korea in April 2013 to help mark the 60th anniversary of the Korean War.

Elaine Gillespie was recognized for her outstanding work as Branch Secretary over the past 11 years with the presentation of an Association Achievement award.

Branch President Paul Hale presents Elaine Gillespie with her Regimental Achievement Award

The Branch is now fully engaged in planning for the following 100th activities that will take place in Southern Ontario between June – September 2014.

6 – 8 June 2014

The Hamilton Military Tattoo has agreed to highlight the Regiment's 100th Anniversary as one of the themes during the Tattoo. The Branch, ERE Patricias and the 2 PPCLI Drum Line will all participate in the Tattoo. This activity will be organized by Mark Fisher and John McGregor.

16 – 17 August 2014

A portion of the Memorial Baton Relay (MBR) Team will be in Toronto for the Warrior's Day Parade at the CNE. The MBR and a composite PPCLI marching guard will lead the parade. Current plans include a flyover from the Great War Flying Museum as the MBR marches through the Princess Gates. In addition, we hope to have the Colonel-in-

.../continued on page 21

Chief on the reviewing stand along with other senior Patricias. There will also be a 100th PPCLI anniversary booth incorporated into the Canadian Armed Forces Display at the CNE. Doug Furchner will be leading the charge on this event.

2 September 2014

CWO Brian McKenelly who recently retired and is currently RSM for the 2nd Irish Regiment will be responsible for the MBR as they visit Espanola. While in Espanola, the MBR will visit the grave sites of Pte David Byers and Pte Glenn Arnold who were both KIA in Afghanistan. They will also host a Community Outreach with the Centennial Display Team.

3 September 2014

The MBR will stop at Elk Lake which was founded by Jack Munroe, an original member of the Regiment, who was wounded in action on 5 June 1915 and struck off strength a few days later on 10 June 1915. This visit is at the specific request of the community.

4 September 2014

The MBR will arrive in London where Henry Klaunsnitzer, Bruce Stock and team will be organizing events including a major fundraiser for the Regiment. The MBR will stop at MGen Cameron Ware's grave and 7 other Patricias who are buried at the Woodland Cemetery. The MBR will finish at Victoria Park in the downtown London core where a community outreach will be conducted.

5 September 2014

The MBR will arrive in the Greater Toronto area where they will immediately start with visits to Sunnybrook Hospital and the Tony Stacey Centre to see our veterans. There will also be a number of community outreaches to various schools within the GTA.

6 September 2014

Our signature event for the Greater Toronto Area will be held at Queen's Park. The day will commence with the MBR running from Cpl Anisworth Dyer's grave at the Necropolis Cemetery along the final portion of the Highway of Heroes to Queen's Park. Cpl Dyer was killed in action on April 18, 2002 during a night-time training exercise near Kandahar, Afghanistan. Plans are still in the development

stage but there will be a reception and community outreach at Queen's Park involving the Col-in-Chief, Col of the Regiment, Speaker of the Ontario Legislature and others. If plans are successful, the Skyhawks will conduct a parachuting display as the Centennial Display Team and 2 PPCLI drum line entertain the public. The day will conclude with a major fundraiser for the Regiment and PPCLI Foundation.

7 September 2014

The MBR and Association will start the day at the Trinity United Church in Port Credit where LCol Agar Adamson's ashes are interred in the family crypt. After a short service and dedication of a 100th Anniversary plaque, the MBR will run to the Adamson Estate. Here we will host a community outreach and BBQ to include the dedication of a second 100th Anniversary plaque in honour of Agar and Mabel Adamson.

8/9 September 2104

This will be an intensive two days in Brampton involving community outreach to local schools and cadet corps. On the 8th, the MBR, Association, KVA and Korean Community will conduct a service at the National Korean War Memorial at Meadowvale Cemetery, followed by a run to Gage Park in downtown Brampton where a final community outreach will be held.

10 September 2014

The MBR and Association will conduct a service at MacKinnon and Bowes to acknowledge all the support that they have provided to the Regiment. A military convoy carrying the Roll of Honour will then move from MacKinnon and Bowes to the Ontario Coroner's Office and retrace the Highway of Heroes in reverse order ending at the Afghanistan Repatriation Memorial in Trenton.

As you can see it will be a challenging and busy period for the Southwestern Ontario Branch of the Association and the Memorial Baton Relay team while they are in Southern Ontario. However with excellent planning and great teamwork everything should go off very well. All of the above events are open to the public and everyone is welcome. Hope to see some of you at the various events.

Wainwright Branch

by Kyle Jensen

We are less than ten months to the 100th. Many plans are being made and sorted as out the time draws near.

Our branch has been very active on pursuing the new Patricia Park in the Griesbach old PMQ's. The attached photos show progress to 24 September and currently the flag poles are being installed.

The branch is hosting the first stop of the memorial Baton Run after the Edmonton celebrations and part of the local festivities will include setting up a display for the new town museum and participation in the 25th anniversary of the 3rd Division Training Centre's Bold Eagle.

As the old Wainwright Hotel is now closed. So the old watering hole has finally been shut down for good. Many wild times in that old place good and bad.

Without the true dedication of our president Mike Austdal who is more than double hated has provided the most truly outstanding support on all points of the operation on the branch level as well as the national level as the secretary.

He has been the president for some time but no one wants to step into those shoes at the moment. As he has a grip on the whole situation must have been his old skill set from the days we are truly lucky to have Mike guiding us at this branch. Hopefully he will stay on for another year so we can get the 100th put to bed. Then we will focus on something else.

We had a great turn out in Aug for the golf tourney, which seems to be getting better every year. Two thumbs up to Al Whitehall for making it happen.

Al commandeered A few more players from the base not quite sure how he Voleentold them though, but they did smile after the game

We have a good group here but as per the more the merrier, hopefully we can pick up the numbers and be more active.

Soon the snow will be flying and the honey do lists will surely shorten.

Given the new trend of the soldiers has somewhat changed we all have the common bond of being molded by the Battle School which has changed its name a few times since the 80's. In addition the Camp has changed its structure yet again and as a result we are still learning what help and guidance that the ASC can provide and support its current members.

We are still trying to find the right solution to grow the membership but it has been a slow process.

Wainwright Branch continues to sponsor the Royal Canadian Army Cadet Unit in Edgerton (PPCLI). With the support of the base, parents, local community and our continued sponsorship, this is successful. Hopefully what these cadets learn will aid them in the years to come and show an interest in joining the military carry on the legacy as part of the PPCLI Branch.

As most branch members are in the 45 plus range now. We have to somehow try to keep the ball rolling.

Thanks to each and every one for your continued support and we look forward to a bigger and better year in 2013-14.

SECTION 1 — General

1.01 Introduction

1. The Act, defined below, and the pursuant but separate Regulations apply to all aspects of the operation of the Association. This By-law refines and amplifies some, but not all, of these rules and regulations. For this reason, should any circumstance not covered by the By-law arise, the Act and Regulations, as the default, must be carefully examined to find the applicable directive. For this reason, those developing Association plans, policies and procedures must be very familiar with the Act and its Regulations as well as the Articles and this By-law.

2. In the terms of Subsection 2(5.1) of the Act, the Association is defined as a “soliciting corporation” as it will have received income in excess of the prescribed amount in the form of donations, gifts, or governmental grants during the prescribed period. This generates a requirement for the annual submission of certain financial documents.

1.02 Definitions

In this By-law and all other by-laws of the Association, unless the context otherwise requires:

- a. “Act” means the Canada Not-for-profit Corporations Act S.C. 2009, c.23 including the Regulations made pursuant to the Act, and any statute or regulations that may be substituted, as amended from time to time;

- c. “Association” means the Princess Patricia’s Canadian Light Infantry Association.
- d. “Board” means the Board of Directors of the Association;

In return, the e-member will receive a discount on Association dues. An e-member may be a Member of a Branch, although this would be unusual.
- l. "Meeting of Members" includes an Annual General Meeting of Members (AGM) or a Special Meeting of Members;
- m. "Officer" means an individual appointed as an Officer of the Association in accordance with this By-law;
- n. "Ordinary Resolution" means a resolution passed by a majority of not less than 50% plus 1 of the votes cast on that resolution;
- o. "Proposal" means a proposal submitted by a Member of the Association that meets the requirements of Section 163 (Shareholder Proposals) of the Act;

- r. "Special Resolution" means a resolution passed by a majority of not less than two-thirds (2/3) of the votes cast on that resolution; and,
- s. "spousal member" is not a class of Member, but rather the description of a Member who has agreed that they will not receive any material or publications from the Association by mail and/or in hard copy. Supporting Members may not be spousal members, and a Member receiving a discount as a spousal member may not receive an additional discount as an e-member. 2. Other than as specified in paragraph 1.01 above, words and expressions defined in the Act have the same meanings when used in this By-law.

1.04 Corporate Seal

The Seal of the Association, an impression of which is stamped on the title page of this document, shall be the corporate seal of the Association. The Secretary shall have custody of the Corporate Seal and shall affix the same in such a manner and upon such occasion as the Board may direct.

1.05 Execution of Documents

Deeds, transfers, assignments, contracts, obligations and other instruments in writing requiring execution by the Association may be signed by any two of its Officers or Directors. In addition, the Board may from time to time direct the manner in which, and the person or persons by whom, a particular document or type of document shall be executed. Any person authorized to sign any document may affix the Corporate Seal to the document. Any signing officer may certify a copy of any instrument, resolution, by-law or other document of the Association to be a true copy thereof. 1.08 Annual Financial Statements

The Association may, instead of sending copies of the annual financial statements and other documents referred to in Subsection 172(1) of the Act (Annual Financial Statements) to the Members, publish a notice to its Members stating that the annual financial statements and documents provided in Subsection 172(1) are available on the web site of the Association, and at the registered office of the Association. Any Member may, on request, obtain a copy free of charge at the registered office or by prepaid mail.

1.09 Rules of Order for Meetings

In any Meeting of the Board or Members of the Association, *Robert's Rules of Order Revised* shall be rules governing the conduct of the meeting, except that in case of any conflict between *Robert's Rules* and the Act or attendant Regulations, the later shall have precedence.

SECTION 2 — Membership

2.01 Membership Conditions

1. Membership in the Association shall not be open to corporations or other entities. Subject to the Articles, there shall be two classes of membership in the Association, namely, Members and Supporting Members. Except as noted in paragraph 2.01 2.b. (2) below, the Board of Directors has delegated, subject to their review, authority to approve the admission of Members and Supporting Members of the Association to the Secretary and to Branch Presidents. Members may also be admitted in such other manner as may be prescribed by the Board, approved by Ordinary Resolution at a Meeting of the Board. Membership is not transferable between classes.

2. The following conditions of membership shall apply:

a. Members

(1) Voting membership shall be available only to Members who have applied and have been accepted for voting membership in the Association. Membership shall be restricted to those who support the Objects of the PPCLI Association, agree to be bound by the Articles and By-laws of the Association, and who are:

(a) Retired or serving members of the PPCLI; or

(b) Retired or serving members of the Canadian Armed Forces, who have been posted or attached to, or have served with a unit of the PPCLI; or

(c) The spouse or partner of those eligible to be Members (living or deceased).

(2) The term of membership of a Member shall be annual, and subject to renewal by the Secretary or Branch President.

(3) As set out in the Articles, each Member is entitled to receive notice of, attend and vote at all Meetings of Members and each such Member shall be entitled to one vote at such meetings.

b. Supporting Members

(1) Non-voting membership shall be available only to Supporting Members who have applied and have been accepted for non-voting membership in the Association. Membership shall be restricted to those who support the Objects of the PPCLI Association, agree to be bound by the Articles and By-laws of the Association, and who are:

(a) Direct descendants of a Member or a person eligible to be a Member, who are 18 years of age or older; or,

(b) Parents of a person qualified to be a Member; or,

(c) Others who have made or may make a significant contribution to the Association, and who have applied or been recommended by two Members.

(2) Subject to their review, the Board has delegated authority to confirm eligibility and to approve applications for Supporting membership for those in the categories described in paragraph 2.01 2. b. (1) (a) and (b) above, to the Secretary and to Branch Presidents. Those falling into the category described in paragraph 2.01 2. b. (1) (c) above, in addition to making application or being recommended by two Members to the Secretary or to a Branch President, must be recommended to the Board. The Board in turn will decide if an application should be proposed to a Meeting of Members for approval by Ordinary Resolution. Pending approval at a Meeting of Members, the Board may approve interim Supporting membership for the applicant.

(3) Associate membership that may be granted by a Branch does not grant or imply Supporting membership in the Association.

(4) The term of membership of a Supporting Member shall be annual, and subject to renewal by the Secretary or Branch President. This includes those Supporting Members in the category described above in paragraph 2.01 2. b. (1) (c), whose membership was initially approved by Ordinary Resolution at a Meeting of Members.

(5) Subject to the Act and the Articles, a Supporting Member shall not be entitled to receive notice of, attend or vote at any Association meeting.

3. Members and Supporting Members may be e-members, and thus receive correspondence and publications only via electronic means.

4. Pursuant to Subsection 197(1) of the Act (Fundamental Changes), a Special Resolution of the Members is required to make any amendments to this section of the By-laws if those amendments affect membership rights and/or conditions described in Subsections 197(1)(d), (e), (f), (g), (h).

2.02 Branches

1. In order to facilitate local activities in support of the Objects, and to provide a means for the interaction of members, members located in city or region may form a Branch of the PPCLI Association.

a. Ten or more Members may apply to the Board of Directors to form a Branch. Each application will be reviewed to ensure that conditions set by the Board are met.

b. The formation of a Branch must be approved by Special Resolution at a Meeting of Members. Branches will be granted a Charter.

c. Branches must operate within and in accordance with the Articles and By-laws of the Association. The Board will issue instructions for the operation of Branches. In keeping with these instructions, Branches may have their own by-laws, approved by their Members. Branches are independent financial entities, and the Branch Executive is accountable to Branch Members. Branches must have a Member-approved plan for the disbursement of Branch funds and property in the event the Branch Charter is revoked, or the Association is dissolved.

d. Branches may approve their own Branch Associate or Honorary Members, but this membership shall not grant or imply Association Supporting Membership.

e. Branches may not apply for incorporation under the Act or under any Provincial Act.

f. A Branch may not revoke its own Charter. On recommendation of the Board of Directors, the Charter of a Branch may be suspended or revoked by a Special Resolution at a Meeting of Members.

g. In the event that a Branch Charter is revoked and the Branch is dissolved, the distribution of Branch funds and property will be decided by the Members of the Branch.

2. Members or Supporting Members residing in the city or region where there is a Branch need not be a Member of the Branch, but may instead be an e-member. The Council will meet at the call of the Chair of the Board.

2. In addition, the Council is responsible for oversight of the Hamilton Gault Memorial Fund (HGMF). The Board of Trustees of the HGMF is responsible to the Council for all governance and policy matters affecting the Fund.

2.04 Absentee Voting by Mailed-in Ballot

1. Pursuant to Subsection 171(1) of the Act (Absentee Voting), a member entitled to vote at a Meeting of Members may vote by mailed-in ballot. This method of absentee voting can be used only for slates of nominees or for Resolutions for which amendments at the Meeting are not allowed. The method to be used for mailed-in ballots will be very similar to that used by Elections Canada for voting by members of the Canadian Armed Forces while serving abroad.

2. Members wishing to vote by mailed-in ballot will apply in writing to the Secretary, providing a signature. The Secretary will respond to the Member, enclosing a ballot for each Resolution, and an inner and outer envelope. The member will mark each ballot and enclose it in the inner envelope, which is to be sealed once all ballots are enclosed. No identifying mark is to be placed on the inner envelope. The inner envelope is to be enclosed in the outer envelope, which will be signed by the Member, across the flap.

3. When the Secretary receives the envelope mailed by the Member, he will verify the signature, log in the fact of the response, and remove the inner envelope containing the ballots. Without opening or making an identifying mark on the inner envelope, the Secretary will place it with other ballots in safekeeping. Immediately before the Meeting, assisted by another Officer or Member of the Governance Committee, he will open the envelopes and tally the votes. Any ballot or envelope found to have an identifying mark will be discarded as a spoiled ballot.

4. A Member who submits an Absentee Ballot by mail shall not vote again by electronic means. Any Member who has submitted an Absentee Ballot and who subsequently attends the Meeting shall not again vote on the Resolution or election for which the Absentee Ballot has already been submitted.

5. The Secretary will include the results of mailed-in ballots in the count for a candidate for election, or for and against the Resolution, when enumerating votes at the Meeting.

2.05 Absentee Voting by Electronic Means

1. Pursuant to Subsection 171(1) of the Act (Absentee Voting), a member entitled to vote at a Meeting of Members may vote by electronic ballot. This method of absentee voting can be used only for slates of nominees or for Resolutions for which amendments at the Meeting are not allowed. Voting by electronic means will use the services of an online survey and voting tool (the online tool) which guarantees the privacy of responses.

2. Members wishing to vote by electronic means will apply the Secretary by email. The Secretary will verify the email address of the Member and send it together with the ballot details to the online tool, which will then send an email containing the ballot information to the Member. The Member will respond to the online tool using a code provided.

3. The online tool will forward the ballot choices of the Member, without any identification as to the source, to the Secretary. The Secretary, assisted by another Officer or member of the Governance Committee will tally the votes immediately before the Meeting.

4. A Member who submits an Absentee Ballot by electronic means shall not vote again by mail. Any Member who has submitted an Absentee Ballot and who subsequently attends the Meeting shall not again vote on the Resolution or election for which the Absentee Ballot has already been submitted.
