THE COLONEL IN CHIEF

My Dear Patricia's:

We are living in a time of turbulence and enormous change. The election in the United States is leading to a new kind of world order - impact on the war in Ukraine being only one aspect of that. We must prepare ourselves for dealing with a neighbor for whom an undefended frontier is perhaps not as much a sign of enduring friendship as an indication of vulnerability. We will see very quickly within the next year how things will play out. As Patricia's and as Canadians we should be ready for anything.

This year has been important to us as it is our 110th anniversary. I was happy to see how well we were able to celebrate it in Edmonton in June and how enthusiastic our current and former members of our active forces were. The ceremony in Ottawa in August, with the rededication of our monument, was a high point of the summer. The location in Lansdowne Park will be a focal point for much interest from passersby and from tourists to our nation's capital. I think you would all be happy with the story that the monument tells in great detail and with the handsome presence it makes in that very important part of Ottawa.

And our last event, the Far from Home art show in Calgary, was fitting and a beautiful climax. Bill Bewick did a marvelous job curating the art which looks magnificent on the walls of the museum! I was very proud of course of all the works that relate to the Patricia's particularly that of Gordon Smith who died in 2020 just before turning 101. He had been wounded at the landing in Sicily so badly that he was sent home. But it took more than that to do him in and he lived to be a centenarian! To have one of Canada's major artists be a veteran of our action in the Second World War is a point of pride for all of us. And it was good to see all the other works that pertain to our Regiment.

But a revelation to me was the war art of Bill MacDonnell. Looking at this show made me realize that he is indeed one of Canada's great artists and unjustifiably neglected in the art world. His portrayal of the destruction of the bridge at Mostar has got to rank with some of the finest works of our war artists like A.Y. Jackson and Charles Comfort in the First and Second World Wars.

War art is not just portrayal of war in art. War art means that a true artist looks at war and does not avert his eyes. He brings all his talent and genius to bear on looking at war just as soldiers have to bring their courage and fighting skills to the battlefield. I was delighted to be able to meet his wife Carol and have a good chat with her. I urge any of you who will be in Calgary before the show is over on February 17, 2025, to go and see it.

I think it is not just duty to the Regiment but it is a wonderful show and deeply moving. We owe many thanks to Dick Averbs, Curator of the Founders' Gallery at the University of Calgary, who put so much work into this and whose enthusiasm contributed so much to the success of the show.

It is also important for us to let Calgary know that even though we are no longer headquartered there, we have deep attachments to the city and its citizens. I was very glad that Mayor Gondek and the current Lieutenant Governor Salma Lakhani accepted our invitation to come to the opening. I felt that we really had a good connection with Calgarians and that there was a great deal of mutual appreciation!

I was thrilled to be able to participate in all the events commemorating our anniversary! **It was a particular pleasure to meet so many of our serving soldiers, veterans and their families in Edmonton, Calgary, and Ottawa.** It means a great deal to me to be with you and to share with you our memories and our respect for the past.

On Remembrance Day of this year, I was in a small French village and attended their Remembrance Day ceremonies which they hold solemnly all over France at exactly 11 o'clock in the morning just as we do. This tiny village of 1500 people had given 117 men to the First and Second World Wars, the Algerian War and subsequent UN engagements. They had a deeply moving moment where schoolchildren, one after the other, read the names of all those who had given their lives since 1914 and after each name, the whole children's chorus said the words "Mort pour la France". This was quite a wonderful way to remember and to have the children understand what the sacrifice of life in war means. All over France at 11 o'clock this was done by school children at all the monuments in the country. I think that they will never forget the sacrifices of their soldiers. And we have never forgotten either.

There will be many challenges in the years ahead and particularly in this year, we will have frequent surprises and events that happen to which we must react. No matter what lies down the road, we must always remember: Once a Patricia, always a Patricia.

Yours faithfully,

Adrienne Clarkson
Colonel-in-Chief
Princess Patricia's Canadian Light Infantry

THE COLONEL OF THE REGIMENT

Carol and I hope that each of you have had a wonderful spring and summer.

Now, fall is upon us and we are fast moving towards Christmas.

Thanks to the Association, Hamilton Gault Memorial Fund (HGMF), and our serving component, the Regiment's 110th Anniversary celebrations have unfolded extremely well and are now winding down.

To those of you who were involved organizing or assisting with the conduct of these activities please accept the thanks of the Regiment for your efforts which have not only brought us together but contributed to the welfare of the Regiment Family.

Each of you in your own way have made this a special year and it has served to remind us that we belong to a unique family with a very proud history and you the Association are a hugely important part of it.

Since my spring message I've had the good fortune to meet with Association members in Banff, Calgary, Edmonton, Shilo, London, and Ottawa and found it exceptionally invigorating to see not only their wonderful dedication to the Regiment but also the comradery, humor, and goodwill being demonstrated when members of the Regimental Family get together. This was particularly true at our Associations AGM in Edmonton which concluded with a great dinner and showing of a video entitled "Spouses Matter".

One of our last 110th Anniversary activities has been the official opening on 17 October of "Far From Home – Princess Patricia's Canadian Light Infantry 110 Years of Art" curated by Calgary Branch member Bill Bewick. A big shout out to those Calgary Branch members who assisted with the Art Exhibit set up in late September, then took time to meet personally with the Colonel in Chief the afternoon of the 17th, and attended the official reception. It certainly contributed to a successful kick-off as there were over 150 PPCLI and University of Calgary guests present. The Art Exhibition is being shown at the Military Museums Calgary Founders Gallery until 17 February 2025. Should you be in Calgary during this period please take the opportunity to visit both the Exhibit. Thanks also to those Ottawa Branch members who took the time to come out and support our Patricia team at the 5 October Imjin River PPCLI/R22eR serving member hockey match. Lastly, I want to commend the Association on the initiative to create a Special Edition Whisky called The Patrician in honor of our 110th Anniversary. What a great success with, as I understand it, over 800 bottles having been sold so far. Well done!

In conclusion, I hope our 110th Anniversary has given you the opportunity to celebrate appropriately and to reflect on your own service as part of those 110 years. Enjoy the remainder of 2024!

VP!

Brigadier-General (Retired) Ray Romses

WORDS FROM OUR PRESIDENT

Fellow Patricia's

As we enter the final months of our 110th Anniversary year, I pause to reflect on some of the events that I was fortunate enough to attend. At each and everyone of them I ran into Patricia's that I served with, Patricia's that I met since joining the Association, Patricia's I have never met before and Patricia's still serving. It truly warms my heart to realize how strong our common bond is, Once a Patricia, Always a Patricia is not just a play on words, it is a genuine feeling and something that we all stand up for and wear proudly.

In June I attended the 110th celebrations in Edmonton where 1 VP did an outstanding job of setting up and running a Better 'Ole which truly in the mind of those of us in attendance lived up to it's name and truly was an outstanding event. Well done to the troops.

There was a Change of Command and Appointment Parade for the CO and RSM respectively, including Para Company delivering the CO's Pennant via Paratrooper jumping in. During the 3 day period there were many activities including the launch of Volume VI of the regimental history, which covers the period when many of us served, from 1958 – 2000. The 100th Anniversary Time Capsule had unfortunately been damaged due to water infiltration and as a result the contents were no longer recognizable, so a new Time Capsule was dedicated and will now reside in the PPCLI Museum in Calgary. One of the activities that left a lasting impression on me was the presentation to the Regiment of Lady Patricia Brabourne, Countess Mountbatten medal set by the family, Lady Patricia's son Timothy Knatchbull and his daughter Amanda, who bares a remarkable resemblance to her grandmother.

The Edmonton Branch did an outstanding job of again hosting the AGM which was attended by a large number of our members from across the country. We welcomed two new members to the Board of Directors, Francois Joumaa and Barry Pritcher who have taken on the roles of Communications and Veterans and Families respectively. The dinner was well done and capped off with a presentation by the PPCLI Drumline. Well done to the Edmonton Branch. On our Birthday weekend the Ottawa Branch hosted a dinner where we toasted the 110th Birthday at the Royal Ottawa Golf Club, where the Regiment's first Commanding Officer, LCol Farquhar and other members of the Regiments early days were members. It was great to see the only two Patricia Chiefs of Defence Staff, General deChastelain and General Eyre were in attendance.

On Saturday August 10 we gathered at Lansdowne Park at the Cairn marking the location where the Regiment was first stood up. The day started with the arrival of 3 riders who were completing their 110km journey in honour of the 110th Anniversary. The 4 riders collectively raised \$11,726 for the HGMF bringing the total raised by this initiative over 5 years to \$43,400. Thank you to the Ottawa Branch for an outstanding weekend.

The last of the formal events took place in Calgary on October 17 with the dedication of an Art Display at the Military Museums Founders Gallery in Calgary. During the festivities the CinC met with a number of members of the Calgary Branch for coffee and during that time I took the opportunity to present Madame Adrienne with bottle 001 of the 110th Anniversary Whisky, The Patrician and bottle 002 to the CoR, General Romses. The day ended with a reception and viewing of the art display in the founders gallery. If you are in Calgary between now and the end of February 2025, take some time to visit and see some of the works on display.

It has been a whirlwind year and I am so pleased to announce the resounding success of the PPCLI Association partnership with Burwood Distillery in Calgary in commissioning the 110th Anniversary Whisky entitled The Patrician, we originally had figured maybe we could sell 500 bottles, that was surpassed in the first 4 days and as of October 17 we had sold over 840 bottles. I have given Burwood Distillery permission to keep selling them, as Madame Adrienne said, “they will make an excellent Christmas gift”.

As your Association President it is my vision that we continue to grow and foster our Regimental Spirit. Over the coming months I will be working with the Board of Directors and Council of Presidents to lay out a plan for the next 2 years (my second and final term will end May of 2027) and I would like to ensure that we as an Association continue to serve you and grow our membership. Please do not hesitate to drop me an email if you have any ideas or suggestions. I look forward to continuing to meet other Patricias over the coming years and always look forward to reconnecting with others.

The Patrician: Last Call

From the RHQ Writing Instruction for the 2024 Patrician:

The Patrician provides an informal record of the Regiment's service presented in the words of its members.

All Princess Patricia Canadian Light Infantry (PPCLI) major units, extra Regimentally employed, and individual members, both serving and retired, are encouraged to submit articles and photographs for this important historical document.

It is requested that information related to the year's noteworthy events including 110th celebrations, promotions, honors and awards, unit and course graduation photos, and retirements be sent to Regimental Headquarters (RHQ) for inclusion.

Articles should be written in a narrative style and avoid the use of military slang and jargon.

Other points to consider when drafting articles are:

- Inclusion of the author(s) rank, initials, and surname;
- Draft articles in MS Word using Times New Roman 12pt using Canadian spell check;
- Each article should be in the range of 250-500 words maximum;
- Do not embed photographs in the Word document, submit them as stand alone files;
- Do not number paragraphs or sub-paragraphs;
- Articles should be based on answering the 5 W's; and
- When using acronyms or military abbreviations, write out the complete word/phrase in full the first time. For example: enhanced Forward Presence Battle Group Latvia (eFP BG Latvia)

All photographs must be of high resolution and accompanied with a photo caption and the photographer's name (if known). Submitted photographs should be relevant to the accompanying article (unless submitted as a stand-alone item) and be visually appealing to the reader.

Articles and photographs can be submitted to RHQ at anytime throughout the 2024 calendar year.

Authors are encouraged to submit articles and photographs as soon as the activity is completed.

RHQ offers four methods for submitting articles and photographs:

1. Submissions can be emailed directly to: ppcli.rhq@gmail.com
2. For those with DWAN access, RHQ can provide temporary permissions to the RHQ ACIMS site for contributors to upload their articles and photographs directly to their pre-assigned unit/organization folder.
3. Submissions can be retrieved through programs such as Dropbox, WeTransfer, and Google Drive.
4. For stand-alone photo submissions, RHQ has created the following QR code.

* For methods 2 or 3, please submit any requests/details through the contact listed below. The absolute last date for article submissions is Friday, 13 December 2024. Dissemination of the 2024 edition is scheduled for Regimental Day 2025. If you are experiencing any difficulties with article or photograph submission, do not hesitate to contact RHQ. The Patrician Whiskey Update

- Limited Edition -

How it Started:

“This project was pulled together relatively quickly. In June while in Calgary before heading to Edmonton for the 110th events, I noticed that a distillery had taken up residence in the old Quartermaster Stores at Currie Barracks.

I went in and picked up a business card to establish lines of communications with someone. After we finally decided on a name and label it was just a matter of time to begin selling the bottles.

I want to give a BIG shout out to Jim Croll for being my support on the ground in Calgary and meeting with the team at Burwood Distillery.

I sent out the sales link to everyone on Sunday October 6th and by 0900 MT on October 7th we had already sold 306 bottles.

By October 11, we were at 474 bottles sold and as we had originally figured on 500, I asked to expand it to 650.

When I went to the distillery on Thursday October 17, we had already exceeded that and were over 840 bottles sold.

I have authorized that they continue to expand the order as it sells.

I am also extremely grateful to RHQ for sending this out to members of the serving component who also have embraced this project by making up a large portion of the orders, some of which have come from as far away as Latvia.

This is one of my prouder achievements in serving our Patricia Family and ask that you pass this along to as many Patricia's as possible, along with this link to ensure that everyone that wants one gets at least one. “

Remembrance day 2024

This Soldier's Plea (for remembrance)

*I fell today
Was it a fair trade?
Do I fade away?
A derisory price paid*

*Not if my people recall
Why they had put me here
Why it is that I may fall
How I came to lie upon this bier*

*For then I have passed with resolve
My life has provided great worth
My actions my God will absolve
As my soul departs from this earth*

*What you have is not gained with a pittance
It is hard won by those willing to give all
We pay the price for your admittance
That is why we fall*

*Forget not about my sisters and brothers
Forget not about me
Forget not our weeping mothers
Hear this soldier's plea*

One day we will go our separate ways and we will miss the comradeship and banter.

The months and years will roll slowly by and our contact will be less and when our grand children pick up a photo and ask, 'who were those people?'

With a tear in my eye, I will tell them. It was with those people that I had the best days of my life.

The Manitoba NW Ontario Branch continues to thrive, to date our membership sits at 102 members in good standing.

The Branch meets occasionally, our last beer call took place at Smitty's Restaurant in Winnipeg.

The event took place on the 8th of August as a celebration of our Regiments 110th Birthday. It's always great to get together even for only a few hours.

Our Branch continues to support our two Cadet Corps in Winnipeg. Jessie Adair and James Zelazny attended the Annual Ceremonial Reviews.

553 Tommy Prince Army Cadet Corps is one of two Cadet Corps supported by Manitoba NW Ontario Branch of the PPCLI Association.

"I had the privilege to attend their Annual Ceremonial Review (ACR) on June 19th, 2024.

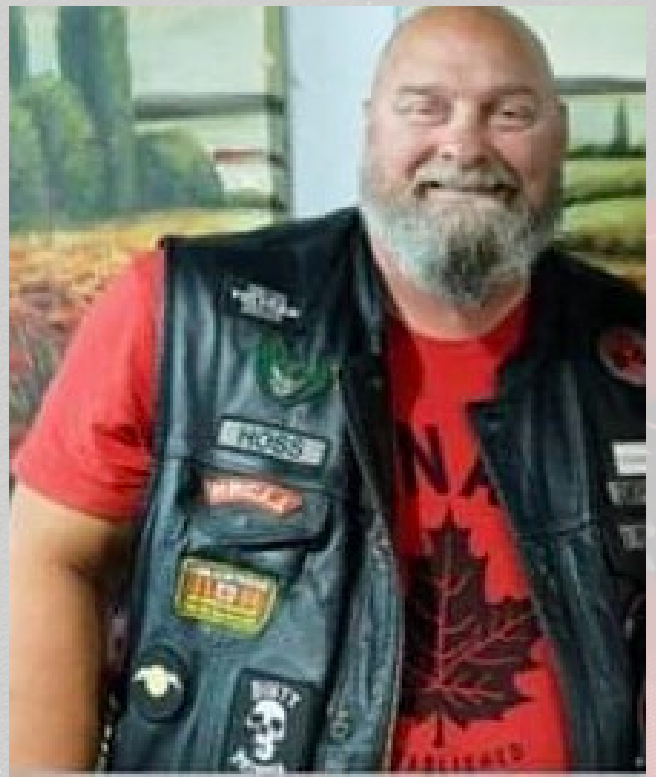

The 553 Corps is the smallest of the two, but they are very determined to learn and develop within their community as was demonstrated by a very good parade and evening.

I also had the privilege of presenting the award for the top 2nd year Cadet. The whole 553 Corps Staff and Cadets demonstrated loyalty and professionalism throughout the entire parade and evening events. This was my second time attending this particular Cadet Corps ACR and I couldn't be more pleased to see what they have accomplished in a short period of time, seeing this from the eyes of a retired CWO of our PPCLI Regiment. The future of this Cadet Corps looks very promising." James Zelazny.

Sadly, our Branch lost a member as Dan Trelbuk died suddenly on a Motorcycle trip to Alberta this past July.

The Branch sends its deepest condolences to the Trelbuk family. A Celebration of Life is to be held in honor of Dan on the 25th of October 2024.

During this past summer, the Branch welcomed back several members and gained a few new ones. Ron Cooke, former RSM of the 2nd Battalion has come back.

If you know of a former or serving Patricia or Regimental Support Trade that has an interest in joining, please encourage them to do so.

I'm not sure if all of Canada is experiencing a fantastic Fall Season, but Manitoba NW Ontario certainly is. Stay safe, stay warm and stay connected during what can be long Winter months.

Perry Batchelor
President Manitoba NW Ontario Branch

South West Ontario

As we head into the final months of 2024, we are pleased to welcome our new President Derrick “Junior” McClinchey who takes over from Greg Ferguson.

Derrick has been very active in the branch leading regular gatherings in the Greater London Area (GLA).

He also brings his experience from leading the CAV at both the local and national levels for many years.

In May members of the Branch supported the Family of Capt. Richard ‘Steven’ Leary during he dedication of a Street named in his honor in his hometown of Brantford.

As with the other Branches SW Ontario held localized activities related to the 110th Birthday of the Regiment. The GLA Patricia’s gathered on August 9th in London and Ian White gathered the Trenton Area Patricia’s on August 10th.

One of Derrick's first acts as President was to organize a visit to the Portraits of Honor in Cambridge, including a lunch provided by the Portraits of Honor Museum in Cambridge.

Finally we wanted to share a video of one of our Korean War Veterans, Romeo Daly. He was interviewed by TV Ontario and this aired earlier this year.

Many thanks to Romeo for sharing his story. ([click here to watch Video](#))

As our Korean War Veterans move to Valhalla, it is important that we hear from them and their lessons from that conflict.

Kingston

During the planning for the 110th Anniversary, the Kingston and Ottawa Branches of the Association decided our two Branches should take a more regional approach to Regimental Activities.

During the year, Branch Members of Kingston and Ottawa were invited to all Regimental Events hosted by either Branch. This has been a very successful amalgamation and it is intended that this approach will continue into the future.

Five members of Kingston Branch attended the Ottawa Branch Regimental Birthday Luncheon on 17 Mar 24 at the Canal Ritz in Ottawa.

Then, on 20 April 24, the Kingston Branch held its 2024 Regimental Dinner at the Rivermill Restaurant in Kingston.

Thirty seven Patricia's attended, including eight from Ottawa Branch. Like all Kingston events a 50/50 draw, to benefit the Hamilton Gault Memorial Fund, was conducted.

The Annual Kingston Branch Golf Tournament and Social took place on 6 July at Camden Braes.

We had 16 golfers and a number of others who came to the post golf social.

The winning team were the foursome of Bob Parent, Brian Bailey, Ed Staniewski and Marv Makulowich.

The weather cooperated and a good time was had by all.

On 9 – 10 August, Fourteen Kingston Branch members were delighted to participate in the 110th Commemoration Weekend organized by the Ottawa Branch.

Kingston Branch thanks and congratulates Ottawa Branch for this superb Regimental weekend. Which included a Regimental Dinner at the Royal Ottawa Golf Club, watching the arrival of the riders participating in the 110th Anniversary Charity Bike Ride.

Including Kingston's own Dave Pentney, and taking part in a moving Commemorative Memorial Service held at Lansdowne Park.

The PPCLI serving members in Kingston have invited the Branch Members to a Regimental Beer Call at the Matthew Dawe Legion on 18 October 24. This follows the 22 Mar 24, 110th Anniversary Beer Call at the Legion that was very well attended.

The final Kingston Branch event for 2024 will be our Christmas Dinner scheduled for 23 November 24 at the Rivermill Restaurant. In accordance with our 110th plans, an invitation will again be extended to the Ottawa Branch.

Calgary

Good day fellow Patricia's from the Calgary Branch of the Association.

We had a great celebration and luncheon to commemorate the 110th anniversary of our Regiment albeit a little late.

We held our luncheon on Saturday the 21st of September at the 275 branch, of the Royal Canadian Legion. We were very fortunate to have the Colonel of the Regiment in attendance to celebrate the occasion with us and to have him present several awards and certificates related to milestones achieved.

A regimental certificate was presented to Michelle Gordon for her many hours of volunteerism to not only the PPCLI Association but the Legion as well. Ken Villiger, one of our Korean War Veterans, was presented 3 certificates, although belated, for reaching the ripe young age of 90.

Ken received a Regimental certificate, a certificate from the Alberta Government, and a Certificate from the Governor General of Canada to mark this occasion.

The last presentation the Colonel of the Regiment made was a Bursary from the HGMF to Kadence Johnson to further her education at the University of Calgary in the field of Community Rehabilitation & Disability Studies with a long-term goal to become an Occupational Therapist.

It was an enjoyable luncheon with good food cooked up by the Legion, some good stories and maybe a lie or two thrown in.

The Calgary Branch also assisted the Military Museum with the preparation for the “Far From Home” art show of PPCLI art and other war art that will be opening on the 3rd of October and running until the 17th of February 2025 in the Founders Gallery.

And lastly, we were fortunate to be able to attend the wreath laying ceremony at the Military Museum in Calgary to recognize the sacrifices of our Korean War Veterans. In attendance was the Colonel of the Regiment and a large delegation from Korea led by the Gangwon Governor, and national and provincial dignitaries. The Gangwon Governor was able, at the end of the ceremony, to formally present gifts to our three Korean War Veterans in attendance.

And finally, we continued our meet and greet program through the summer months and will officially kick off the year with our first meeting of the 2024/2025 year on the 26th of October 2024.

Calgary

Our casino was held on Aug 28-29, 2024, at The Ace Casino Airport in Calgary. I would like to thank all those that volunteered to help make our casino a success. This casino was done at the end of 3rd quarter so around mid-November we should know what our share of the pool will be.

We had volunteers from the Edmonton Branch that travel to Calgary again this year to help as well as a few new people this year that stepped up to help thank you all for the great work.

2024 Donations went to Veterans Association Food Bank (Calgary) \$5,000, Friends of The Belcher (Calgary) \$5,000, these Cheques were presented by Jim Croll and in Edmonton the following CHQ,s were presented by Herb Kenny, Valour Place \$5,000, The Kipness Centre \$5,000 and the 2552 PPCLI Cadet Corp \$3,000. Also at the Museum the Carpet at the entrance to our PPCLI Museum will also be replace this year from Casino Funds.

Edmonton

Happy 110 Anniversary to all Patricia's from all members of the Edmonton branch. We had the privilege to host the 76 Annual General Meeting of the Association in June. It was a great two day. The Meet and Greet was well attended as was the AGM itself. To finish off there was semi formal dinner again well attend.

The Regimental Sergeant Major of the First Battalion gifted the Drum Line which was the highlight of the dinner.

During the activities surrounding the AGM two of our members received 90th Birthday Certificates from the CiC and COR, Dan Magnan and Marty Clavette.

As well Mike Schneider received an Association Merit Pin for his work helping our Veterans navigate the path to better living.

Victoria

As I am typing this (with one hand but that is another story, lol) I am thinking about the upcoming Thanksgiving on 14 Oct which is just around the corner. Today however is a beautiful Fall Day in the Victoria area. The leaves are changing colours and have begun to make it especially frustrating for those who rake up their fallen leaves only to rake them up again the next day.

So, as I reflect upon some of the amazing things to be thankful for, I am reminded how many friends I have made in the Military and how they have made me a better person, not perfect by any means, but better. So even though I will be in Las Vegas donating money on Thanksgiving and will be celebrating the holiday in an unusual way, I will think of the friends I have made near and far and be thankful for each and every one. Having said that we hope that no matter how you celebrated Thanksgiving that you and your families had a safe, relaxing and an enjoyable holiday.

On another note, our Branch still meets for lunch each month and our membership numbers are slowly increasing despite losing some of our PPCLI Veterans from this Branch. RIP friends. We celebrated Regimental Day on 17 March and the Regimental Birthday on 9 and 10 August on the 110th Anniversary of the Founding of the Regiment.

I hope you enjoy some of the following stories and pictures.

The Museum Report

The PPCLI exhibit at CFB Esquimalt Naval and Military Museum in NADEN, building N 39 “follow the blue lines on the roadway” includes eras of PPCLI history along with Work Point Barracks specific items. It is generally completed now save for some text illustrations to be finalized and placing of some late donations. The most recent pieces added are a parade square marker flag and a PPCLI Regimental flag, both on stands crafted by member Gerry Nugent. (left side of the mannequin).

In addition, within the adjacent building N 37 which houses the Navy exhibits, there is a KOREAN WAR display where space is dedicated to 2 PPCLI with some photographs, newspaper clippings, and artifacts.

Jack Bates

Slade Lerch and Jim Kempling, representing the PPCLI Assn Victoria Branch, rappelled down the Manulife Building on 18 Sept 24 for Easter Seals to raise money for children and families with disabilities.

Way to go guys!!

2483 Royal Canadian Army Cadet Corps (RCACC) Victoria

2483 PPCLI Royal Canadian Army Cadet Corps (RCACC) has had the pleasure of celebrating the completion of another successful training year as the corps has grown to 48 cadets, 6 Officers, 5 volunteers and a healthy and supportive parent support committee. We are grateful to the PPCLI Association, our PPCLI representatives in Edmonton, the Army Cadet League of BC, Britannia Legion, Westshore Lions, Victoria Poppy Fund, Victoria Remembrance Day committee, Mustard Seed, Wounded Warriors, the Salvation Army, in particular: Skip Triplett, the Stanfields, Tchadas Leo, Keith Yowser, Jack Bates and Terri Orser and all others who choose to engage with our cadets or support our corps financially- we appreciate greatly the opportunities everyone has provided the cadets, it truly 'takes a village' and we thank you. Our cadets have taken the opportunities given to them and they continue to grow, improve and thrive and I am eager to share some of their stories and what our training looks like in 2024.

This year our Regimental Sergeant Major (RSM) MWO Ben Farkas-Husbands stepped back to mentor and coach the upcoming and currently acting RSM MWO Colin Coakley. Current Company Sergeant Major (CSM) and expected incumbent RSM is MWO Matteo Sison, who in last year's edition of this publication participated in pre-para and will be going again this year for round 2! The Basic Parachutist course is the most physically and mentally challenging course available to Army cadets and we hope that they qualify to complete it in summer 2025. We commend him on his drive and determination and wish him the best of luck!

Cadets run their own training nights every Tuesday. Our motto: Acer Acerpori: "As the maple so the sapling", translates roughly in our program to: 'cadets, leading cadets'. This motto is put into action immediately when the cadets arrive and start with an opening parade where they conduct a land acknowledgment, call a roll call, conduct inspections and divide into their training levels for classes. Cadets then participate in instruction from their peers, older cadets or adult staff- depending on the topic and resources of the day- for two periods, with canteen (snacks and break) in between. Once the knowledge/skill/assigned classes are complete, there is a short period left over for the cadet command team to do what they need to with their cadets to prepare them for upcoming activities- it could be icebreakers, stretches, games, briefings, drill, uniform inspections, discussions, check-ins or shoe polishing sessions, followed by a closing parade to deliver closing announcements and sometimes make presentations. Most of all, we've noted our cadets adore sports nights the most.

Cadets these days typically wear their field training uniform instead of the formal attire on regular training nights- this switch happened many years ago as it allows cadets more abilities to conduct field type classes during training hours. Once every few months, we gather our cadets for a commanding officer's parade to celebrate the achievements and successes of our cadets and staff through presentation of gifts/corps challenge coins, awards and promotions.

Our cadets had many opportunities to participate optionally in our weekend training. Some activities the corps ran this year include: a field training exercise (FTX) at Gold Stream Provincial Park and another at Albert Head (pictured below), our corps 71st Annual Ceremonial Review, Silver and Gold Star Expeditions, Canadian Armed Forces Naval Vessel tours, marksmanship competitions, drill competitions, band, fitness training, remembrance days, Fort MacAuley day, poppy tagging, mess dinner (picture below) and so much more!

We are thankful to all our cadets and staff for making this another great training year and look forward to the next!

Ottawa

The Branch was busy across the late spring and summer with golf with the Kingston Branch and the development of the plan for the 110th Anniversary events in Ottawa. Early on a handful of Ottawa Branch people joined in the Regimental Dinner at the Old Mill House Restaurant put up by the Kingston Branch. It was one of the best in recent years.

Discussions paid off with a clear agreement that Ottawa and its plan for the 110th would be supported by the Kingston Branch and some others in SW Ontario. The Colonel-in-Chief said yes to the invite to join these events as did the COR.

The 9 August Friday night dinner at the Royal Ottawa Golf Course was excellent – all round. The guests represented everything from a Private Cyprus soldier from B Company The Wall, to two past CDSs, and all were ready to have a good time. The venue was well set with a nice pre-dinner bar, gorgeously dressed ladies, smart fellows, the accoutrements of a large image of Panel 10 from Menin Gate, the return to Ottawa in 1919, and the video Spouses Matter rolling on a stand-up bar table on a large Apple computer. The food was excellent, and the two large dessert cakes which were paraded around held a total of 110 burning candles, illuminating well the entire room.

The 10 August morning Memorial Service was also excellent. The contracted event tent provider showed up at 8:05 on the day, and had the tent done by 9:15. Then the additional help of Peter Jerome, Bill Plouffe, Norah Hewson, Wendy Kennedy and Don Dalziel, as well as excellent help from the Lansdowne Events Manager and his 2IC, got all the other parts into place – seating plan, displays, audio, 80+ seats, water, greeting the guests, prepping the first event within the morning with the 110th Bike Ride completion. Just-in-time, as all of 95 or so people were arrayed, mostly under the tent and out of the burning sun: C-in-C & husband and COR & wife and our great members and their spouses, serving reps, lots of Kingston members, the Deputy Mayor of Ottawa, the MP for Ottawa Centre, the MPP for Ottawa Centre, Dan Black and about six members of the local KVA, 17 members of the Sir Wilfred Laurier School Board group under Daniel Johnson who arrived just in time, and 14 members of the Aged in Harmony group. The 100 printed programmes arrived just at the last minute, then we were ready to start with O Canada. It was wonderful. About 30 people attended the Craft Beer Market pub afterwards for lunch before everyone went home.

The Branch is dusting off the to-do list for the annual November 11th Memorial Service at the Sacred Space at Beechwood Cemetery, usually at 1:30 pm. All will be there, including great men and women. Anyone who knows the family of any of our lost from this year or another, let them know that they are welcome to attend and should contact comms@ppcli.com. Before the 11th at Beechwood, on the Sunday November 10th, a group of members will be at the Remembrance Day service at St Bartholomew's.

Ottawa Branch is going to commence one more innovation – annually we will have a Meet and Remember moment at the statue of Hamilton Gault opposite the National War Memorial. We will have some words of memory, and then slope off to a local pub for a full glass of something and a bite of Irish stew or the like. Inaugural date is yet to be determined.

Ottawa Branch is working with the City planners for Lansdowne's continued remake, which inter alia will cause us to relocate the Regimental Memorial. The relocation will not be significant – as we must have a space by the Aberdeen Pavilion.

The Visit to Perley Health
9 August 2024

As part of the 110th Anniversary Celebrations in Ottawa, the Colonel-in-Chief PPCLI was coming east to the events on 9 and 10 August. Madame Adrienne also said that she would have enough time to pay a visit (as she had done when GG) inside the program timings. One of the Ottawa Branch members is David Brigden, who also is a volunteer at the Perley – running the Joe & Denny’s Pub three days a week, and looking in on Patricia’s there (and other service persons). David put the Branch in touch with the Veteran Visits Coordinator Alma Cook. She met the small visit group (Madame Adrienne, Maj Steve Zivkow , COR Ray Romses) at the front entrance at 2:30 on the 9th of August . She accompanied the group to the Pub where the four Patricia’s were ensconced, with some family there as well.

Gathered:

Barry Hunt (LCol Retd, was Base Admin O at Gagetown 1975-77, marched in the 75th Anniversary Ottawa Re-enactment)

Mel Porter (87 years old) A longtime member of the Arnprior Legion as a Veteran Service Officer, was actively involved in many fundraisers and events including the annual ride for Multiple Sclerosis (MS) for the last 17 years in Arnprior area. Recipient of the Sovereign’s Medal. Saskatchewan born, served in the army in Canada, Cyprus and Germany for four years – 1960s to 80s.

In one of the accompanying pictures : Roy Martel – a trained at the PPCLI Depot as a RC Sigs soldier, then commissioned and transferred to RCEME.

Within the visit, C-in-C gifted a Regimental plaque to the men to put up in the resident’s bar/pub– the plaque has a plate which is inscribed:

Dorothy Blanche (Shuckburgh) Memorial Service

The Memorial Service of Dorothy Blanche (Shuckburgh) Gault 2:30 pm Saturday 25th November 1972, with PPCLI Regimental Representation. Picture in Hatch Beauchamp – probably luncheon in Hatch Court before the service.

Hamilton Gault died in Montreal 28 November 1958. He and Dorothy had lived on the Mont St Hilaire estate in Quebec since the end of the war. In 1959 Dorothy returned to England and Somerset, taking back her estate at Hatch Court. She was not alone. Her niece Anne who was married to a naval officer (John Strover Townson) lived in part of the house with a son and daughter (John and Jane). After John senior died early in 1967, Anne married a second time in 1971 to a retired Fleet Airman Barry Nation, and the family stayed in Hatch. On 29 Sept 1972, Dorothy Gault died. Her funeral was in St John's Church Hatch Beauchamp in early October, and a Memorial service was organized in November in St Mary of Magdalene Church, Taunton a short distance from Hatch Beauchamp. Her remains were interred with Hattie's in St John the Baptist Church on the estate.

Flora Fraser, the 21st Lady Saltoun

Flora Fraser, The Lady Saltoun, who died peacefully at home on 3 September 2024, at age 93, was the widow of Alexander Ramsay of Mar, the only son of Princess Patricia and Adm Sir Alexander Ramsay. She was a Scottish noblewoman and Crossbench (i.e. belonging to no political party) peer. She and her husband were considered to be members of the extended British Royal Family, and were also closely related to the Swedish, Danish and Greek Royal Families. In 1979, Lady Saltoun (pronounced Salton) succeeded her father as the 21st Lady Saltoun and Chief of the Name and Arms of Clan Fraser, and also head of the Scottish lowland family the Frasers of Philorth. She also gained a seat in the House of Lords, which she retained as she was one of the ninety hereditary peers who were elected to remain in the Lords after 1999. She was the only holder of a Lordship in Parliament until her retirement in 2014. Lady Saltoun was an Honorary Patricia and maintained a close interest in the Regiment. Until some years ago, she regularly hosted events in London for the UK Branch of the PPCLI Association.

Flora Marjory Fraser was born on 18 October 1930, the only daughter of the 20th Lord Saltoun of Cairnbulg Castle, and his wife, the former Dorothy Geraldine Welby. Her elder brother, Lt Alexander Fraser, Master of Saltoun, MC, Grenadier Guards, was killed in action in February 1944, aged 22, leaving Flora as heiress presumptive to her father's peerage. The Saltoun title had been created in 1445 for Sir Lawrence Abernathy, and on the death in 1669 of Margaret Abernethy, the title went to her cousin Alexander Fraser, a faithful supporter of both Charles I and Charles II. It has remained with the Frasers of Philorth ever since.

On 6 October 1956, Flora married Capt Alexander Ramsay of Mar, Grenadier Guards, the only child of Admiral the Hon Sir Alexander Ramsay and Princess Patricia of Connaught. On her marriage, Princess Patricia was authorised by Royal Licence to relinquish the style of Royal Highness and title of Princess, and by another royal warrant was granted the style of Lady Patricia Ramsay. Flora and Alexander had three daughters, and the family lived at Cairnbulg Castle, the family seat, for a period, as well as on the Mar Lodge Estate, which Alexander Ramsay inherited from his aunt,

Princess Arthur of Connaught, the Duchess of Fife, becoming the laird of Mar. After many years, much of the estate was sold, and they lived at Inverey House, Ballater, in Aberdeenshire, near Braemar. They were regular visitors to Balmoral and were frequently seen on the platform of the annual Royal Highland Games at Braemar as a guest of his cousin, Queen Elizabeth II. Alexander Ramsay died on 20 December 2000, the day before his 81st birthday.

Lady Saltoun leaves three daughters, the Hon Katharine Fraser (who retained that surname on her marriage), the Hon Alice Ramsay and the Hon Elizabeth Ramsay of Mar. Katherine, the eldest daughter, born 11 October 1957, a goddaughter of Queen Ingrid of Denmark and of the late Princess Mary, Princess Royal, succeeds to the Lordship of Saltoun as the 22nd Lady Saltoun.

Founding of the Regiment

RECRUITS WANTED!
FOR
Princess Patricia's Canadian Light Infantry

Raised by A. Hamilton Gault, Esq.
Commanded by Lt.-Col. F. FARQUHAR, D.S.O.
(Coldstream Guards)

This unit will be equipped as soon as possible, and placed at the disposal of the Imperial Authorities.
Preference will be given to ex-regulars of the Canadian or Imperial Forces, or men who saw service in South Africa.

QUALIFICATIONS: (1) Physically fit. (2) Age limit, 40. (3) "Good" certificates of discharge for ex-soldiers.
CONDITIONS: Enlistments for one year or the war. Pay Canadian Rate.

Men desirous of volunteering should apply to one of the following officers:—

WINNIPEG -- Count de Bury, Government House

MONTREAL—Lieut. Donald E. Cameron, 508 St. Catherine St. W.	OTTAWA—Captain Buller, Government House.
CALGARY—Lt.-Col. Saunders, District Magistrate.	TORONTO—Lt.-Col. Elliott, 215 Simcoe Street.

Those applying in writing should state age, character, former regiment, rank on discharge, and any certificates obtained while in service.

The Regiment was born during August of 1914 in Ottawa, Ontario as a result of the offer from Captain Andrew Hamilton Gault to provide \$100,000 to finance and equip a battalion for overseas service.

On 6 August 1914 Captain Gault's offer was provisionally accepted by the Canadian Government. Authority was granted on 10 August 1914 to raise and equip an infantry battalion, with the remainder of the cost being defrayed by the Department of Militia and Defence.

On 10 August 1914 the Charter of the Regiment was signed and the next day mobilization began. Veteran soldiers flocked from every part of Canada to enlist. Eight days later the new Regiment had a full complement of experienced officers and men. Out of 1,098 all ranks, 1,049 had seen previous service in South Africa or with the regular forces of the British Empire. Almost every unit in the British Army was represented in addition to personnel from both the Royal Navy and Marines.

LCol Francis D. Farquhar, DSO, an officer of the Coldstream Guards who was Military Secretary to His Royal Highness, The Duke of Connaught and Strathearn, The Governor-General of Canada, was selected to command the new battalion.

LCol Farquhar suggested that the Regiment bear the name of the Duke's youngest daughter, Her Royal Highness Princess Patricia of Connaught. The request was made to the Princess, who graciously consented to the Regiment bearing her name. The "Light Infantry" came about because Captain Gault, a veteran of the South African War, liked the "Irregular Feel" it gave to the Regiment.

The full title of Princess Patricia's Canadian Light Infantry was too long for everyday use, and the new unit became known as "PPCLI", with "PPs" or "Pip Pips", as the most common variants. The Regiment was best known to the general public as the "Princess Pats" or merely the "Pats", but this partial abbreviation is discouraged within the Regiment which now prefers to be known as the "Patricias".
